Welcome to eQOURSE

Your Trusted Education Solutions Partner

eQOURSE is a dedicated education solutions organization with a vision to make quality education accessible to everyone. As an ISO 9001:2015 and ISO 27001:2013 certified company, we are committed to providing the best academic services for educational institutions and e-learning platforms. Our goal is to help organizations create positive change through effective education.

With a team of experts and the latest technology, we offer customized solutions to meet the specific needs of our clients. From online courses to training programs, we have the expertise and resources to help you achieve your education goals.

We are proud to have been recognized as a start-up in education and e-learning by the Department for the Promotion of Industry and Internal Trade, Government of India. Read on to learn more about how we can help you transform the way you deliver education.

Our Mission: To Empower Organizations with Quality Education Solutions

Passionate about Quality Education:
At eQOURSE, we are passionate believers in quality education for all and strive to make it accessible to organizations around the world.

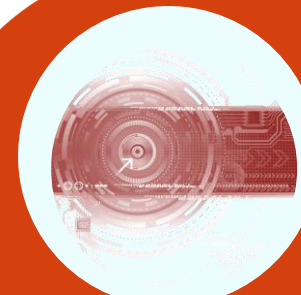

Comprehensive E-learning Solutions:
We offer a range of e-learning solutions, including digital content and assessment development, tutoring support, textbook solutions, Q&A support, digital content transformation and localization, all with a focus on quality assurance.

Expert Team:
Our team of experts has been working in the education sector since 2004 and brings a wealth of experience and expertise to our services.

Cutting-Edge Technology:
We stay at the forefront of the e-learning industry by researching and implementing the latest advancements in learning technology.

Trusted Partner:
With a proven track record of success, we are trusted by many educational organizations across India and around the world as a one-stop solution for all their e-learning needs.

Our K12 E-Learning Solutions: Transforming the Way Students Learn

Teaching and Learning Solutions

Our K12 online teaching and learning solutions are designed to facilitate research-based practices and provide students with a dynamic learning experience.

We offer content authoring and editing services to develop tailored content in any format, ensuring that students receive the best possible learning experience.

Content Authoring and Editing

Curriculum Design & Development

Our curriculum design and development services are focused on providing students with in-depth knowledge of subjects through analytical reasoning and detailed explanations.

Our highly customizable assessment and test solutions help organizations measure student progress and provide formative and summative evaluations.

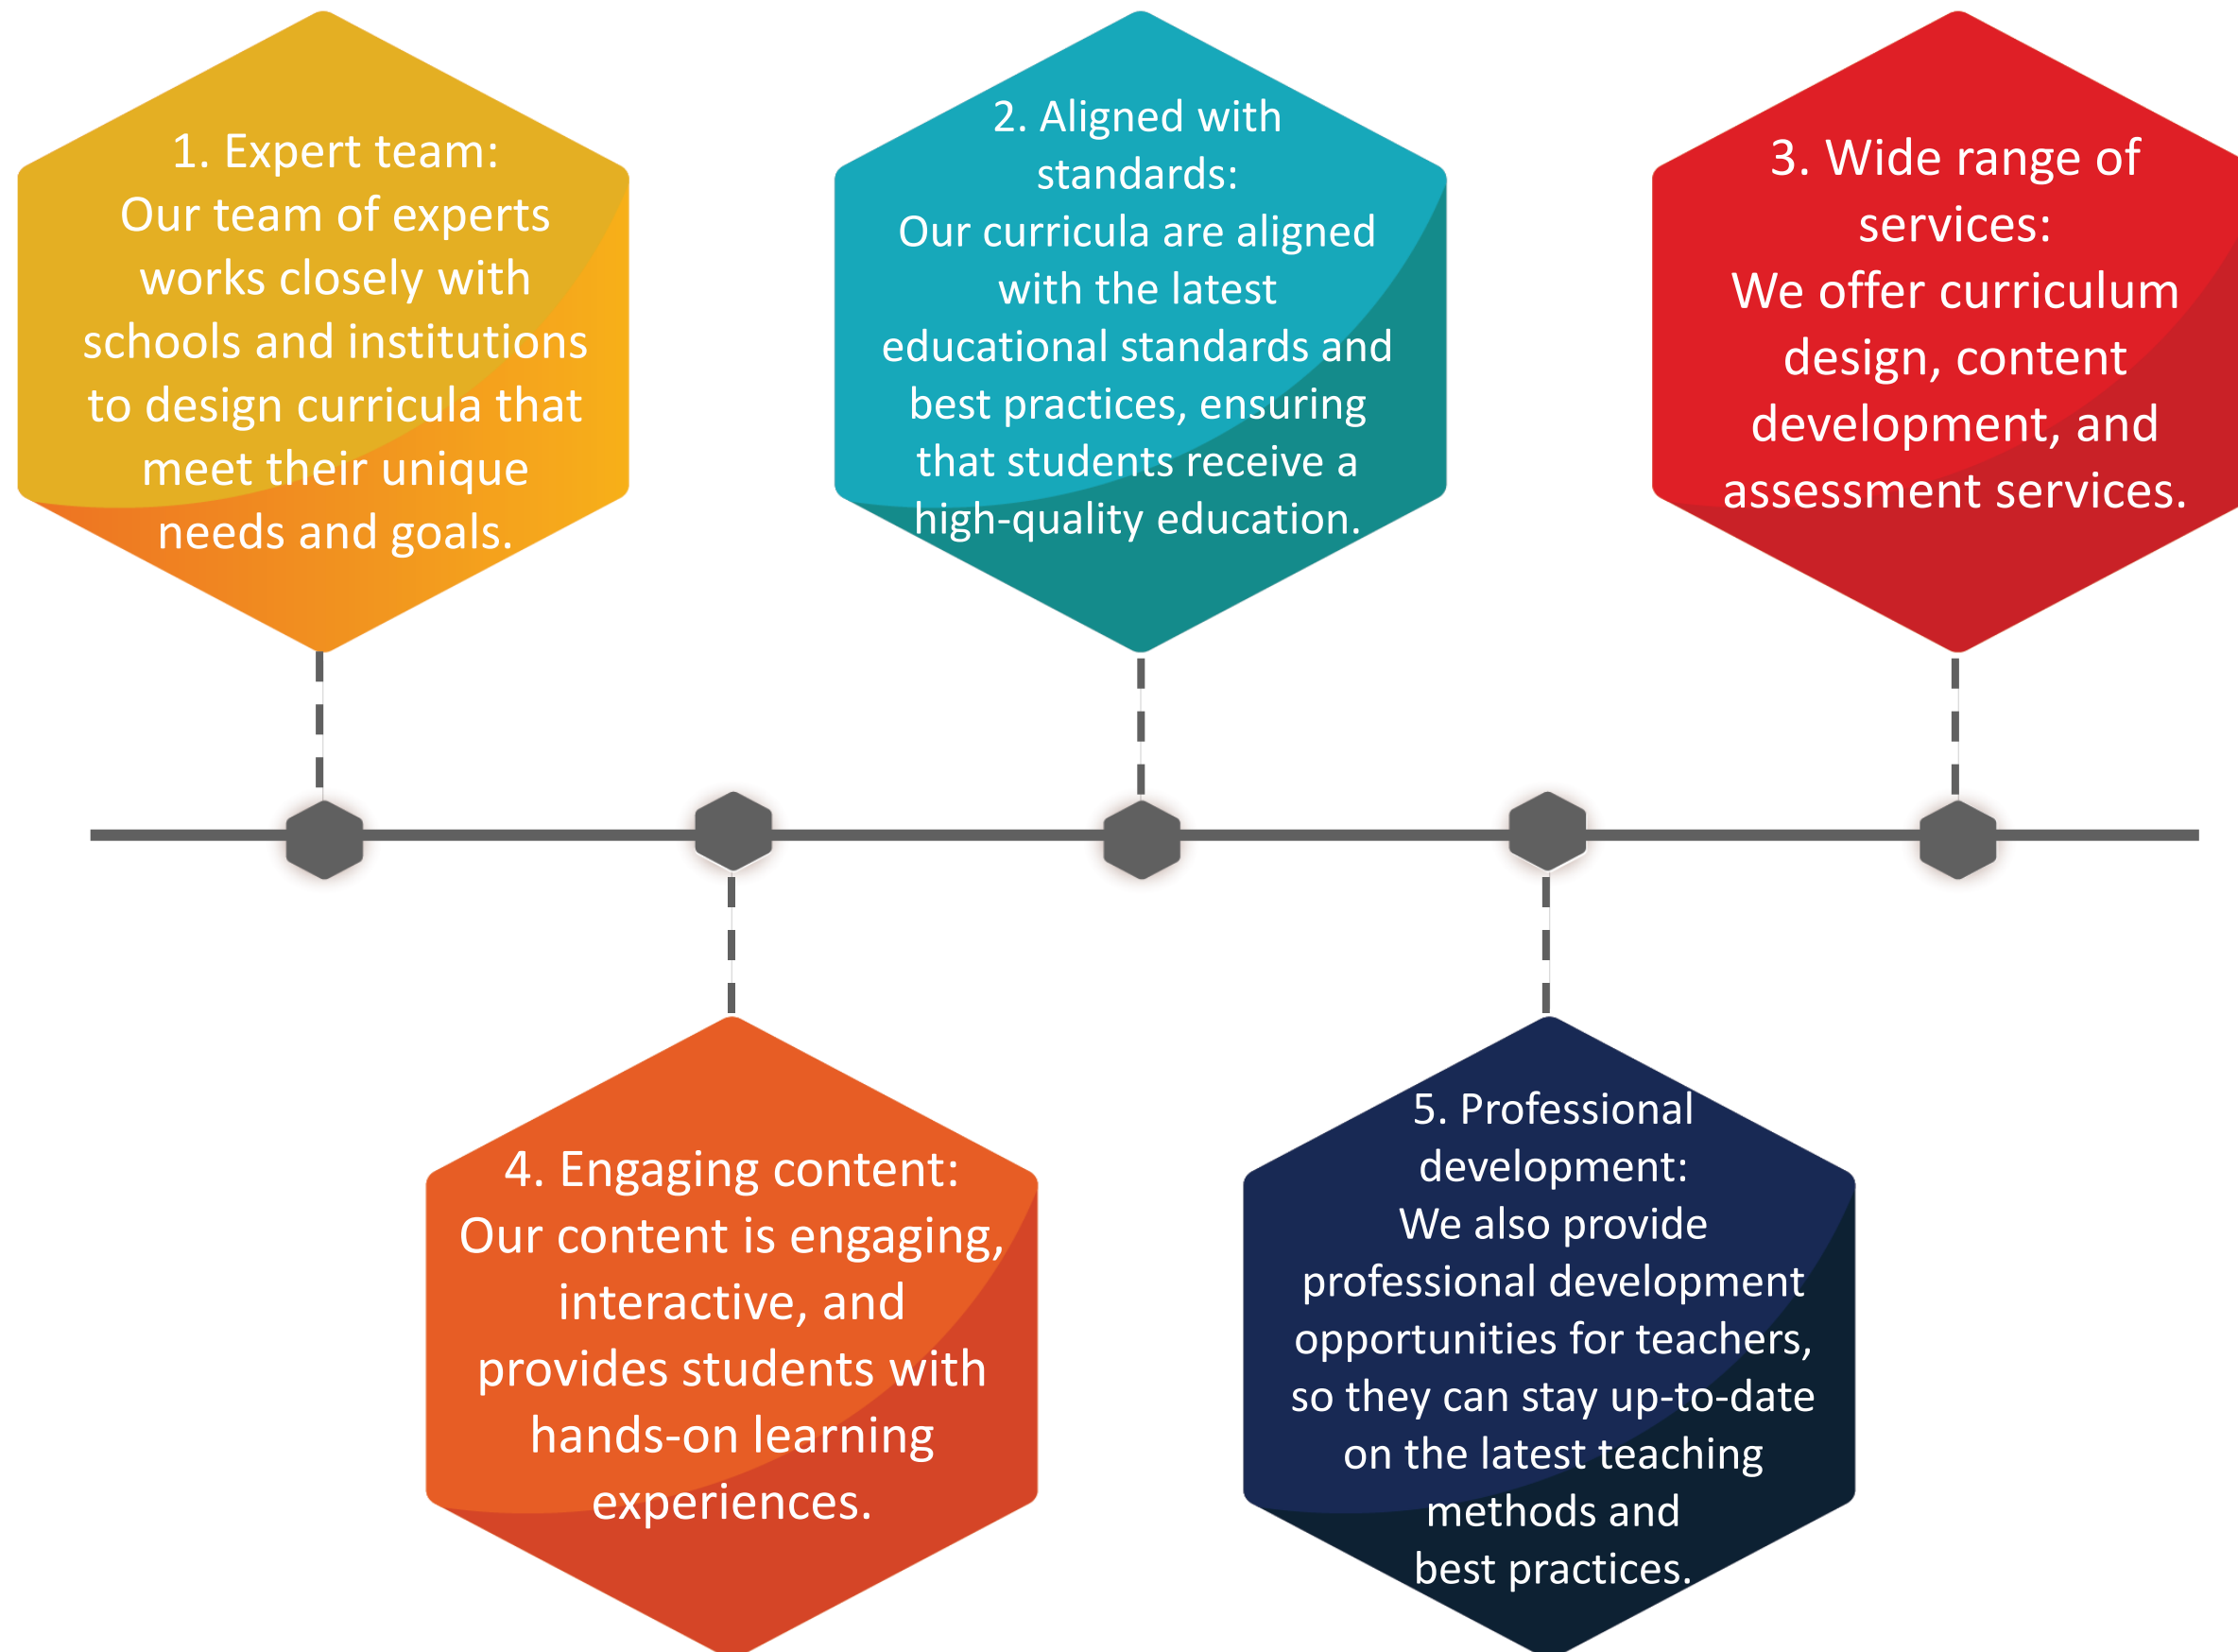

Customizable Assessment & Test Solutions

E-Learning Video Solutions

Our e-learning video solutions provide a complete online experience, including comprehensive digital courseware, adaptable technology, and extensive support to meet the goal of personalized learning for each learner.

K-12 Curriculum Development Services

Outsourced Tutor and SME Support Services

We are a team of experienced professionals dedicated to providing top-quality tutor and SME support services to help you reach your full potential. Our services include:

- 1. Tutor Support:** Our team of experienced tutors can assist you with everything from lesson planning and materials preparation to student support and assessment.
- 2. SME Support:** Our team of experts can help you with a wide range of tasks.
- 3. Content Development:** Whether you need help creating engaging lectures, or educational materials, our team of writers and designers can help you create content that stands out.

At eQOURSE, we believe that outsourcing support services can help you save time, reduce costs, and achieve your goals more effectively.

Content Translation and Localization

Our Impactful Deliveries

1

Around 5 million students have access to our specially curated educational content in their regional language, through our partnership with eVidyaloka, an Indian NGO.

2

We deliver more than 5000 video solutions per month for an American EdTech.

3

We have created around 6000 text solutions per month for an Indian EdTech's LMS.

4

More than 50 tutors in the K12 segment in Singapore have been provided by us.

5

We have developed complete curriculum for JSS1, JSS2, SSS1 & SSS2 for a Nigerian EdTech.

6

We served as a one-stop solution for a state government's initiative to empower students amidst the pandemic with a bridge course project, covering 14 districts

By partnering with us, you can benefit from

01

Improved student engagement and outcomes through our interactive, technology-driven educational solutions.

02

Customized solutions that meet the unique needs of your institution and student body.

03

High-quality translation and localization services for course materials.

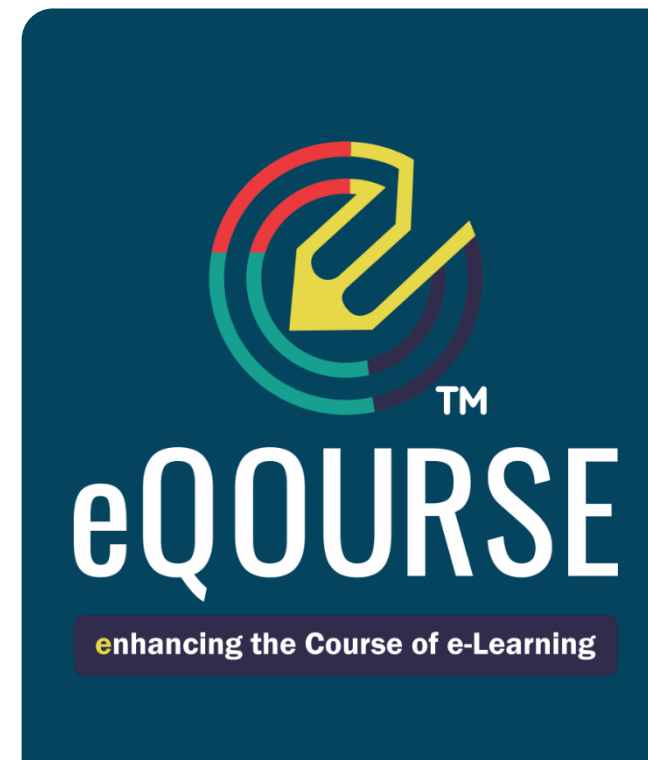

04

Cutting-edge technology solutions, such as virtual reality and gamification, that will enhance the learning experience for your students.

Contact us at info@eqourse.com to learn more about how we can support your institution.

THANK YOU
